Bio

- Keep it short and snappy.
- Tailor it to the audience and the topic.
- Put the important facts first.

Questions to ask yourself

- What do you do?
- What projects have you worked on?
- What clients have you worked with?
- What are you interested in?

My notes:

Tiny templates

(Try one of these if you're stuck. Remix it!)

_____ is a _____ that _____. They _____ _____ _____.

[Name] [thing you've done]. They [current position]. They [current interests].
